

PREVENZIONE CENTRATA SULLA PERSONA , RISCHI DA VACCINI
GENETICI, TERAPIA PRECOCE COVID19

Under the Patronage of

the World Health Committee and " Comitato Sanitario Nazionale

" PERSON-CENTERED MEDICINE, PREVENTION
AND ADOLESCENCE

3rd session : 20 Novembre 2021 - h 15 ZOOM

Introduzione alla terza sessione, e benvenuto

Giuseppe R.Brera

Rector of the Ambrosiana University

PREVENZIONE CENTRATA SULLA PERSONA , RISCHI DA VACCINI
GENETICI, TERAPIA PRECOCE COVID19

Prevenzione centrata sulla persona, rischi da vaccini genetici, terapia precoce del Covis-19

PROGRAM

Chair

Prof. Vito.Galante MD PH D LD MA

Honorary Chair in Adolescentology 2 in the Ambrosiana University

15,15-15,40+5'

Keynote lecture

"The Experimental Child"

Mental and Social Consequences for Children and Families of the Coronavirus Syndemic

*

Vincenzo Di Nicola, MPhil, MD, Ph.D., FRCPC, DFAPA, FCPA, FCAHS

*Honorary Chair (Licentia Docendi, LD) & Professor (Magister, MA Sc), Ambrosiana
University*

Professor of Psychiatry, University of Montreal

Clinical Professor of Psychiatry, The George Washington University

15,45-16,10+5'

PREVENZIONE CENTRATA SULLA PERSONA , RISCHI DA VACCINI
GENETICI, TERAPIA PRECOCE COVID19

Keynote lecture

Effetti degli attuali vaccini anti SARS-CoV-2 oltre la generazione di anticorpi anti-Spike.

Effects of current anti-SARS-COV 2 vaccines beyond anti-Spike antibody generation

Maurizio Federico

Director

National Center for Global Health

Istituto Superiore di Sanità (Italy)

Keynote lecture

16,10-16,35+5

L'evidenza scientifica dei danni genetici ed epigenetici dei vaccini anti SARS-COV 2 e le conferme epidemiologiche di un rischio vaccinale .

La necessità del paradigma preventivo centrato sulla persona con l'allostasi anti-virale e l'immuno-stimolazione preventiva e di un'efficace terapia precoce del SARS-COV 2.

Scientific evidence of epigenetic and genetic damages from anti-SARS-COV 2 vaccines and

PREVENZIONE CENTRATA SULLA PERSONA , RISCHI DA VACCINI
GENETICI, TERAPIA PRECOCE COVID19

the epidemiologic confirmation of risks from vaccination.

The need for the person-centered prevention paradigm inducing the “Antiviral allostasis and the preventive immunostimulation.

Giuseppe R.Brera MD, MA, MA LD

Director of the Milan School of Medicine, President of the World Health Committee

and Italian National Health Committee

16,35-17+5'

Discussion and free contributions (max7') (*In Italian and English*)

Inviare titolo dell'intervento a alla segreteria scientifica vgalante@unambro.it

Registrazione al Congresso: (gratuita) communication@scuolamedicamilano.it

17,15-18,45

1st Workshop

of the

WORLD HEALTH COMMITTEE

Chair

PREVENZIONE CENTRATA SULLA PERSONA , RISCHI DA VACCINI
GENETICI, TERAPIA PRECOCE COVID19

Roy Kallivayalil

Secretary-General of the World Health Committee

Introduction

Giuseppe R.Brera

President of the World Health Committee

Contribution of the Members of the WHC Scientific Committee

17,30-18,20

Giuseppe R.Brera, Robert Cloninger, Claudio Violato, Richard Fiordo, George Christodoulou, Roy Kallivayalil

18,20-18,45-

Contributions of invited speakers

18,45

End of the Conference

Giuseppe R.Brera

Rector of the Ambrosiana University

PREVENZIONE CENTRATA SULLA PERSONA , RISCHI DA VACCINI
GENETICI, TERAPIA PRECOCE COVID19
